Callahan Construction Inc.

Dear Mike,

Thank you for such a wonderful job you and your crew have done with our renovations. Joe and I are very pleased with all the work that was done from inception to the painting. All your sub-contractors were very pleasant, courteous and easy to work with. We are very happy that we chose Callahan Construction for our project and have recommended your company several times. Having to move out for such a big project is very stressful but working with your company made it easier. We are very impressed with the time of completion and the quality of work is exceptional. We have received many compliments from our neighbors, family and friends. The house is absolutely beautiful and we are enjoying it very much. Please feel free to use our name as a reference. We are happy to say that Callahan Construction did such a wonderful job. Thank you again for such a wonderful experience.

Sincerely,
